*The South Atlantic Well Drillers
Jubilee and the SAWDJ
Scholarship Committee are
pleased to offer the Jubilee
Scholarship application.*

Each year, the Board of Directors and the committee make these scholarships available to high school seniors and to other individuals who are undergraduates in academic institutions.

To file a completed application, it will be necessary for you, the applicant, to follow the steps below and to complete the enclosed forms as directed.

Eligibility: Any properly executed application will be accepted. However, a higher priority will be given to any applicant who is pursuing a degree in water well or groundwater related studies. To qualify, the applicant must:

- Be a member or the child, or grandchild of a member in good standing (for not less than three years) of the governing or affiliate Jubilee State Associations;
- Maintain at least a 2.5 grade point average during their last two years of formal education;
- Be a high school senior, high school graduate, or college undergraduate;
- Be able to provide transcripts including cumulative grade point averages (high school seniors) or the latest available transcript from current educational institutions.

Procedure: The applicant must complete the following application in full and have submitted it to the proper location BEFORE the deadline. The deadline for this year's application is March 1, 2009. Any application received after the deadline will not be eligible. Transcripts must accompany the application.

Review: The application will be reviewed by the Scholarship Committee. Applicants do not need to be pursuing water well or ground water related studies; however, special consideration will be given to those individuals studying to work in an industry related field.

Disbursement of Funds: The winning applicants will be notified by May 15, 2009. Scholarship funds will be disbursed to the school the applicant is to attend and mailed directly to the financial aid department of that school.
